Cancellations

The deposit and any other funds paid will be refunded in full for or any cancellation received before 30th June. After 30th June we reserve the right to retain any money paid. This is because the Abbey require a proportion of the cost to be paid for any cancellation less than 12 weeks before the event. In cases of cancellation after 30th June for a good reason, we shall exercise our discretion and may well repay some or all of the money paid.

After 30th June

The prices will be reviewed after 30th June and prices may be increased for late bookings, in order to conform to the Abbey's policy referred to above.
